General Information

AIMS

Dordt College had its inception in 1937 with the educational leadership of the Christian Reformed Churches in the Midwest. At that time communications concerning a Christian two-year college were circulated among the various classes of the area. The actual implementing of the ideal was delayed through the intervention of the national emergency anent World War II. New impetus was given to the movement after the war by reason of the critical shortage of qualified teachers for the Christian Schools of the Midwest area.

Dordt College is controlled by an incorporated free society for the maintenance of a school for higher education in general art, education, and pre-seminary training in accordance with the Word of God as interpreted by the three forms of unity of the Reformed Churches, namely; the Belgic Confession, the Heidelberg Catechism, and the Canons of Dordt. All members of the faculty must subscribe to these forms. All instruction must be in harmony with the Reformed Faith so interpreted. The various disciplines of study are viewed in the light of this faith as their necessary pre-scientific orientation. It is the aim of Dordt College to give an education in the large and broad sense whereby every expression of personality and culture will be dominated by the spirit and rule of the Word of God.

Dordt College also aims to maintain standards of sound scholarship. With this aim in view, the library facilities are constantly being expanded; the faculty is encouraged towards continually more advanced academic standing. Work is also being done towards accreditation by the North Central Association of Colleges and Secondary Schools.
HOUSING

DORMITORY

The College maintains a dormitory for a number of freshman girls. Girls who are interested in staying at the dormitory should submit applications at an early date, for the room vacancies are filled in the order that the applications are received. The dormitory expenses are $81.00 per semester.

PRIVATE HOMES

A large number of private homes are open to Dordt students for room only. These homes have been approved by the Housing Committee. The College office keeps a list of these approved homes. This list is available to all students looking for housing. The standard charge for this housing is $4.50 per person per week.

DORDT COLLEGE DINING HALL

Students who live in the Dormitory or in private homes eat their meals at the College Dining Hall. The complete facilities make it possible to feed all boarding students all meals seven days a week. Students who eat all meals are charged $160.00 per semester. Those who do not remain for the weekend are charged $110.00 per semester.

HOUSING COMMITTEE

All student housing must receive the approval of the Housing Committee. Any student who plans to make his own housing arrangements must receive approval for such arrangements from the Housing Committee.

All correspondence on room and board should be addressed to the Housing Committee.

COLLEGE EXPENSES

The cost of attending Dordt College is kept as reasonable as possible. Students pay in tuition only a part of the cost of their education. Each student receives the benefit of finances obtained from classical quotas, church offerings, society contributions, and individual gifts.
TUITION

The regular tuition is $225.00 for a semester.

Students who are members of the Christian Reformed Church and are thus indirectly involved in the support of Dordt College will be charged tuition on the basis of proximity according to the following schedule of zones.

Local Zone (extending up to 20 miles from Dordt College)
$170.00 per semester. For two students from one family, $150.00 per student.

Zone 2 (the area 20 to 300 miles from Dordt College)
$150.00 per semester. For two students from one family, $130.00 per student.

Zone 3 (over 300 miles from Dordt College) $120.00 per semester. For two students from one family, $100.00 per student.

Special Students
Unclassified students pay at the rate of $17.00 per semester hour of work. Members of the Christian Reformed Church pay $12.00 per semester hour.

Students who are members of the Christian Reformed Church, but whose parents are not, will have their tuition determined by the location of the Christian Reformed Church of which they are a member.

Married students will have their tuition determined by the location of their former residence. Two semesters of continuous local residence will change the tuition status unless the married student can show that he regularly returns to his former residence for gainful employment during the summer months.

Admission Requirements
Regulations, Graduation

ADMISSION

All applications for admission should be made to the Dean of the College a month in advance of the opening date. Since all applications must be made on the forms provided by the College, students should contact the Office of the Dean at an early date in order to meet the application deadlines. The forms required include:

(a) Personal application
(b) Transcript of high school record
(c) Recommendation of pastor
(d) Health record

Students planning to study for the ministry should also present a written recommendation from the consistory of their church.

Those seeking admission at the beginning of the second semester should also make application a month in advance.

Freshman Standing

Students will generally be admitted to Freshman standing according to the following requirements.

1. A certificate from an accredited high school must be submitted.
2. Work completed: The certificate should show that the applicant has satisfactorily completed 15 units of high school work. A unit is the equivalent of five recitations a week for thirty-six weeks in one branch of study.
3. Work prescribed: 8 units from the fields of Social Studies, English, Languages, Sciences, or Mathematics must be included in the 15 units.
4. Recommendation: Although the exact sequence of courses is not prescribed, high school students should try to distribute their work to cover at least:
   - 3 or 4 units in English
   - 2 units of social studies
   - 2 units of mathematics
   - 2 units of a foreign language
   - 2 units of a natural science
REGULATIONS

GENERAL ADMISSION: Whereas high school academic records reflect the student's ability and work habits, students whose high school records are not commendatory should seriously reflect on their previous deficiencies before applying for admission. Continued residence at Dordt College is contingent upon a demonstrated ability to do college level work.

PROVISIONAL ADMISSION: If a student is in default of the 15 unit admission requirement by not more than 1 unit, he may be admitted provisionally with the stipulation that the deficiency will be removed within the first year of residence.

UNCLASSIFIED STUDENTS: Applicants for admission who do not plan to follow any prescribed course of study may be enrolled for such studies as they can pursue with profit on the basis of previous qualification. Such students should consult with the Dean of the College in making arrangements.

Advanced Standing

Students may be admitted to Dordt College with advanced standing on the basis of college work transferred from another college. Students seeking admission with advanced standing should complete the regular application forms and have an official transcript of college work sent to the Office of the Dean.

Special Students

Applicants for admission who do not plan to follow any prescribed course of study may be enrolled for such studies as they can pursue with profit on the basis of previous qualification. Such students should consult with the Dean in making arrangements.
ADMINISTRATIVE REGULATIONS

RELIGIOUS CULTURE
In keeping with the aim of Dordt College to minister to the spiritual development of its students, courses in Bible history and Christian doctrine are offered. Every student is required to take this academic course work while at the College.

Devotional services are held in the College Chapel. All students are expected to be in regular attendance.

It is further understood that students at Dordt College will be regular and faithful in attendance at the church of their choice.

The spiritual and moral needs of the students are further served through regular consultation with the college pastor who serves as a regular member of the faculty as instructor in the Bible department.

SOCIAL ACTIVITIES
All extra-curricular academic or social groups shall be organized only with the permission and sponsorship of the Faculty.

No regular or special meetings of college social groups shall be permitted without the supervision of the administration.

Off-the-campus gatherings which involve a majority of the students will come under the same regulations pertaining to college functions.

GENERAL CONDUCT
It is not the purpose or intention of Dordt College to lay down minute regulations for the daily conduct of its students. By their application for admission students certify that they intend to live according to the Christian ideals of the College. Though admission to Dordt College is the rightful privilege of its constituency, that privilege may be readily withdrawn should the student fail to maintain proper standards of conduct or scholarship.

PHYSICAL EDUCATION
All students are required to take physical education. Exemptions from this requirement are granted only upon a written statement from a doctor or upon the written consent of the Dean of the College. One hour credit is given for this work.
GRADES AND HONOR POINTS

Report cards are sent out at the end of each semester. The letter grades have the following honor point equivalent:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Interpretation</th>
<th>Honor points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>

</tr>
<tr>
<td>WP</td>
<td>Withdraw Passing</td>
<td>0</td>
</tr>
<tr>
<td>WF</td>
<td>Withdraw Failing</td>
<td>minus 1</td>
</tr>
</tbody>
</table>

Whereas 125 honor points are generally required for college graduation, students should gain a minimum of 15 honor points in each semester. In other words, a C average should be maintained.

DROPPING AND CHANGING COURSES

Changes in registration must be completed within two weeks after the opening date of each semester. Permission to change courses must be obtained from the Dean.

No course may be dropped without the permission of the Dean. Courses dropped without permission are recorded as F. Courses dropped after the second week of the semester are recorded as WP—withdraw passing if the student has a passing grade in the course when it is dropped and WF—withdraw failing if the student is failing the course when dropped. A WF grade results in a subtraction of 1 honor point per credit.

WITHDRAWAL FROM SCHOOL

A student who wishes to withdraw from school must receive permission from the Dean. Refunds are based upon the date of such approval. Students who withdraw without permission will have grades of WF recorded for all courses.

GRADUATION

ASSOCIATE OF ARTS DEGREE

Dordt College confers the title of Associate of Arts Degree upon students completing a program of 60 hours with an honor point average of at least 1.0.

GRADUATION HONORS

Students who graduate with an honor point average of 2.5 or above are graduated with honors.
Extracurricular Activities

In order to encourage the development of a well-rounded personality, Dordt College through faculty sponsorship encourages student participation in a variety of extracurricular activities as the interests and talents of the students may warrant.

CHOIR

All students at Dordt may audition for a place in the college choir. The choir works on a selected sacred repertoire and climaxes its work with a concert tour and a series of local concerts.

DRAMATICS

In the fall, "the play's the thing". The entire student body at Dordt has an opportunity to try out for a role in the annual college play. Usually three performances are given; one locally and two in other areas.

JOURNALISM

Work on the SIGNET, the college annual, and on the DORDT DIAMOND, the college newspaper, furnishes still another outlet for student interest and creativity. A variety of talents find expression in this fascinating work.

SPORTS

Dordt College participates in an intercollegiate athletic program. The competition, particularly in basketball, furnishes a fine outlet for student enthusiasms and contributes to student "esprit de corps".

STUDENT CLUBS

Several student clubs provide outlets for special interests and talents. The Calvinism Club, Pep Club, Chess Club, and the Dramatics Club have already been active.

STUDENT ACTIVITIES

Students also attend student programs, activity nights, the Christmas Banquet, Freshmen-Sophomore banquet and other special activities planned during the year.
College Curricula

The college offers work in the following fields: General College, Pre-Seminary, and Teacher Training.

GENERAL COLLEGE CURRICULUM

The first two years of the general college curriculum may be completed here. Those who wish to earn an A.B. in education will also take the general college courses, selecting those courses which will fit into their future program in education.

The student should carefully select courses which will fit into an A.B. program at the school he plans to attend.

The following program is a suggested course of studies set up for the students who wish to follow the General College curriculum:

#### MISCELLANEOUS CURRICULA

Students interested in taking one or two years of work in pre-professional curricula as pre-law, pre-engineering, pre-medical, pre-dentistry, or pre-nursing are able to set up programs in these areas.

Because schools in these fields have no established pattern of required courses, the student should select courses which meet the requirements of the professional school which he will later attend.

Those interested in these fields should consult the Dean about their future plans.
