TWO FOUND POEMS ON RELIGIOUS FREEDOM

The Reel Thing

the story of CHRIST THE KING
is two thousand years old, yet
this inspiring motion picture
unfolds before you the most
beautiful love story ever told

the lifelong research
of the foremost scholars
of religious literature
has been carefully blended
into the creation of a film
so reverently produced
so tenderly directed
that its power and force
are beyond description

magnificently produced
and dramatically molded
into a moving epic
the film has an emotional
quality that will live
forever in your heart
